Bluegrass dynamic duo Jim and Lynna Woolsey release their third single, "Listen to the Angels," from the forthcoming album "Walk Into The Water." The song showcases Jim's soulful and award-winning vocal while Lynna and Dave Foster add their seasoned harmonies.

Together they resonate with the traditional lonesome bluegrass sound. This song will undoubtedly raise the hair on the back of your neck!

The song this couple wrote together is a gospel describing God's interventions through angels. "We love writing with our faith in mind. We always try to write with a positive spin on our songs, and this is just one example of that. If we listen amidst the noise of everyday life, we can hear the spirit moving and letting us know what God wants us to do. It is up to us to either listen or go about our business. This song is a fun way of bringing this message to our fans."

~Jim
